

CORPORATE SOCIAL RESPONSIBILITY

EMOS INTERNATIONAL CORPORATE SOCIAL RESPONSIBILITY (CRS)---Is building a positive image that we believe in. We have a socially conscious image. Consumers, Employees and Stakeholders prioritize our CSR. They hold our companies and partners accountable for effecting social change with their business beliefs, practices and profits.

Our Companies CRS program is an opportunity for us to demonstrate our good corporate citizenship, and protect our company from outsized risk by looking at the whole social and environmental sphere that surrounds our companies.

Our CRS focus on volunteering our time (customers, staffs and stakeholders time) In community events like ==

1. Redeeming their Souls at any cost to the fear of Almighty God and obey the Laws of the Government and community.

2. Formation of co-operative Associations for International Housing and Businesses Loans, for citizens of community that surrounds our companies.

To enable them own their personal houses and businesses.
